

The National Arena Swimming League

Western Round Three held at Central Park 14th November 2009

DRSA...The Winning Team.

The atmosphere was electrifying, and the standard of swimming high as five teams raced to come out on top in Saturday's gala. All the swimmers put in maximum effort, with excellent swims from everybody. I can't remember who won what individually as I was busy helping Linda, but I am very happy to say that WE WON. The results and times will appear on the website shortly.

So the final scores were; Wareham in 5th place with 100 points, Backwell in 4th place with 140, Barry in 3rd place with 154 points, Weymouth came 2nd with 167 points and DEVONPORT ROYAL (that's us) CAME 1ST with 171 points.

It was a close gala right to the very end. Head Coach Caroline Ball said 'I'm very happy with how the team worked together to get us into the 1st Western League final we've been in for a number of years'.

Caroline couldn't be with the team on Saturday, but she had a good excuse. She was busy representing England in the British University Championships held at Sheffield, where she achieved an amazing 5th place in the 50m Butterfly, 8th in the 400 IM and 12th in the 100m Backstroke.
