

SELECTION FOR D.R.S.A. TEAM GALA'S

QUALIFYING TIMES

Committee members are often asked about the level of performance required to be selected for D.R.S.A. Team Gala's (i.e. Cornwall & West Devon, National Swimming League, Devon Relay & Interclub Galas, etc...).

Hence, we have produced this **guide** of times we would expect our swimmers to be able to achieve in order to represent the club.

GIRLS (times better than) 50Mtrs

	Freestyle	Butterfly	Backstroke	Breaststroke
11/u	00:37.00	00:43.00	00:43.00	00:47.00

Selection Criteria

Where DRSA has sufficient swimmers within the above times, then those swimmers will be considered/selected on a "fastest first" basis (with due consideration given to the maximum number of swims an individual can manage in a gala).

Where DRSA do not have sufficient swimmers within the above times, the club may select second claim/borrowed swimmers to supplement the team. On such occasions, we will **only** use those swimmers who are existing members of D.R.S.A.

We recognise that, in an Age Group team of four swimmers (male and female), not all swimmers who represent the club will be able to achieve all/any of the above times. As such, selection criteria for swimmers will also comprise of a number of other factors, including; regular attendance at training sessions, good performance during training sessions, development of younger swimmers, etc...
